

SBM LIFE SCIENCE'S THERMACELL® MOSQUITO REPELLER GETS THE JARD'INNOV® 2019 GOLDEN AWARD IN FRANCE!

The SBM Life Science's Thermacell® anti-mosquito repeller has been awarded Gold Trophy # Jardinnov2019 in Garden Pest and household insecticides category. Since January 2019, SBM Life Science is the exclusive distributor of the Thermacell brand and seduced its customers thanks to the originality of its consumer approach and display in point of sale.

The Jard'innov® awards, organized by [Media & Jardin](#) for its professional magazine #journalJardinerie, reward the product innovations of the past and future seasons.
